Short suggested text:

The only language proficiency tests certified by the University of Oxford, the Oxford Test of English suite of tests are computer-adaptive, English tests developed for young adult and adult learners.

Available in three versions to suit the needs of the learner, the tests assess the ability to understand and communicate effectively in Speaking, Listening, Reading, and Writing across four levels of the CEFR. The tests are: **Oxford Test of English** (assessing A2–B2 of the CEFR), **Oxford Test of English Advanced** (B2–C1) and **Oxford Test of English for Schools** (A2–B2).

Faster and more flexible than traditional language proficiency tests, the **Oxford Test of English** tests are delivered online, and in any module combination. You can book your choice of test with as little as 7 days' notice and receive your results on the day for Listening and Reading, and typically within 5 working days for Speaking and Writing.

Longer text alternative:

The Oxford Test of English and Oxford Test of English Advanced are targeted at learners aged 16 and above, and the Oxford Test of English for Schools has been developed for learners aged between 12 and 16. All tests harness adaptive technology for speed and accuracy, offering fast results. They're 100% online, flexible, and available at Approved Test Centres worldwide. You can trust the only English proficiency test certified by the University of Oxford!

Four skills: The affordable and adaptive online test covers Speaking, Listening, Reading, and Writing. Test them together, on their own, or in any combination. Invigilated and marked by real people and available all year round, the test takes just two hours to complete.

Four levels: The tests are aligned to the Common European Framework of Reference (CEFR). The Oxford Test of English and Oxford Test of English for Schools both assess three levels of the CEFR, A2–B2. The Oxford Test of English Advanced offers unique certification for advanced English language proficiency at B2–C1 levels of the CEFR.

For life: Live, study, or work abroad with the only language proficiency test certified by the University of Oxford. It's recognized by a growing number of universities, educational institutions and organizations around the world. Plus, your results are valid for life.

Oxford Test of English for Schools suggested text:

The Oxford Test of English for Schools is a computer-adaptive general English proficiency test recommended for 12–16 year olds. Developed by Oxford University Press and certified by the University of Oxford, it is more flexible, cost-effective, and faster than traditional proficiency tests.

The level and format is exactly the same as the Oxford Test of English, but the content is tailored to suit the interests and experiences of younger test takers. The report cards and certificates issued for the Oxford Test of English for Schools are identical to those issued for the Oxford Test of English.

Oxford Test of English Advanced suggested text:

The Oxford Test of English Advanced is a new high-level English language proficiency test that certifies at B2–C1. The test is aligned with the CEFR, including the new and updated descriptors in the CEFR Companion volume. From summarizing and debating, to essay writing and communicating diplomatically, the test accurately assesses the skills key for success in academic and professional opportunities.

The Advanced test offers the same personalized, motivating experience for test takers as the Oxford Test of English. Plus, it is recognized by a growing number of institutions worldwide and results are valid for life.

The Oxford Test of English Advanced is part of the Oxford Test of English suite of tests – all certified by the University of Oxford.
